A screenshot of the uTorrent website homepage. The top navigation bar is green and contains the uTorrent logo, the text "a (very) tiny BitTorrent client", and navigation links for "Get Started", "Features", "Community", and "Help". A "Free Download" button is also present in the top right. The main content area has a light green background with a subtle pattern. It features a callout box on the left that says "First download MicroTorrent (looks like uTorrent)". The main headline reads "Super fast. Ultra light." followed by the text "µTorrent's built for speed. That means ultra-efficient downloads of mega-sized files." Below this is a prominent green "Free Download for Windows" button, with a link for "Other Platforms & Languages" underneath. At the bottom of the main content area, there are two links: "See how it works" and "Why it's awesome". A news section at the very bottom mentions "News: BitTorrent and Khan Academy Partner for Education Videos".
